## Linoleic acid

REF 2747 S

|                          |                                                |
|--------------------------|------------------------------------------------|
| <u>Chemical family</u>   | LIPID / Fatty acid deriv.                      |
| <u>CAS Number</u>        | [60-33-3]                                      |
| <u>Empirical formula</u> | C <sub>18</sub> H <sub>32</sub> O <sub>2</sub> |
| <u>Molecular weight</u>  | 280,46                                         |

|                            |                                                |
|----------------------------|------------------------------------------------|
| <u>Long term storage</u>   | Store at <+8°C<br>Store in dry and dark place. |
| <u>Shipment conditions</u> | Ambient temperature                            |
